

"ME BEFORE YOU"- SUMMARY AND ANALYSIS

Fayziyeva Yulduz

*Bukhara State Innovation University Faculty of Philology and Language Teaching
Student of English Philology group 1e24 analyzing research work*

Abstract: *My research paper includes introduction, main body, conclusion and references. And I want to introduce book's impact on reader and psychological aspects.*

Key words: *Luiza Clark, psychological aspects, Uill Teylor, disease, financial problem, characters, choices*

INTRODUCTION

Pauline Sara Jo Moyes born on August 4, known professionally as Jojo Moyes, is an English journalist and since 2002, an award-winning romance novelist. She wrote many novels which gained international acclaim for its emotionally profound storytelling and realistic portrayal of adults. The novel represents a unique perspective of love, disability, mortality and the meaning of life through bad situations. ("Me before you" [p.1] The novel was published in 2012. [p.1] and since that novel is very popular. The plot of novel almost similar with books: "The fault in Our Stars", "Five Feet Apart", and "They both die at the End". After conquering hearts of readers and gaining worldwide popularity novel was adapted into a film in 2016.

1.1 The main heroes of novel is the girl namely Luiza Clark, who's family suffer from lack of the money. And Luiza's struggle was finding permanent job. And Uill Treynor a wealthy man who became paralyzed after an accident. Because of it he meet his lovely person. They differ from each other, but despite their differences, they form a deep bond, which can show how love can inspire people to change, but it also raises difficult choices. They are two unforgettable characters who bring Me before You to life.

1.2 Luiza Clark is 26-year-old woman who lives in a small English town. She is cheerful, quirky, and girl who wears colorful and unusual clothes. Before meeting Uill, she had no specific goal and was content working at a Cafe to help her family with financial problems. However, after losing her job, she is hired as a caregiver for Uill Treynor. [chapter1 p. 28]

1.3 Uill Treynor is a former successful business and adventurer who became disabled after motorcycle accident. He once had a fast-paced, exciting life, but after accident he lost hope to live happy. [Chapter2 p.45] When Luiza enters his life, she brings warmth, energy as well as love to his life. But, Uill Treynor was worried about his own feelings about his future. Their bonds is filled with love, pain and deep emotional connection. [p.288] Her use of natural dialogue and relatable characters makes the story compelling. She effectively blends romance

with deeper philosophical and social issues, making the novel thought-provoking for readers. "Me Before You" is more than just a romantic novel; it is a thought-provoking exploration of human dignity and life's challenges. Moyes presents complex themes that encourage readers to reflect on personal choices and social attitudes toward disability. The novel leaves a lasting impact by addressing ethical dilemmas and emotional struggles, making it a significant piece of contemporary literature..

Conclusion

In conclusion, my research paper includes introduction, main body, conclusion and references. And I described emotional aspects of book.

"Me Before You" is a deeply moving novel about love, hope, and human choice. Louisa Clark accidentally gets a job as a caregiver for Will Traynor, a wealthy but disabled man, and tries to bring him back to life.

Although deep feelings develop between them, Will remains firm in his decision to end his life. Louisa confesses her love for him, but even that cannot change Will's mind.

The novel raises philosophical questions about a person's right to choose between life and death.
